Parties hereby agree that all purchases made and extensions of credit to the undersigned Purchaser by Seller are subject to the following terms and conditions:

- 1. All invoices are due and payable without discount on or before expiration of the terms assigned to the Account, and the terms have been explained to me. Any claims that merchandise has not been received in whole or in part will be denied unless noted on invoice at time of delivery. Claims for damaged or spoiled merchandise must be made within 7 days of receipt of such merchandise. Purchaser agrees that all such claims are waived and released if not made by such date. All sums received by Seller shall be applied to the oldest charges first. Purchaser agrees to pay interest on all past due sums at the maximum rate allowable under the governing law of the state in which the Purchaser is located.
2. The undersigned Purchaser agrees to pay Seller a service charge of \$30.00 for all protested checks returned by their bank.
3. The undersigned Purchaser agrees that if it appears to Seller that Purchaser is insolvent or about to become insolvent or if any balance remains unpaid after same is due, that all credit may be terminated without notice until all balances are paid and until Seller receives such assurances from Purchaser as are sufficient in its sole opinion to insure that all future charges will be paid when due.
4. The undersigned Purchaser agrees to pay, in the event the account becomes delinquent and is turned over to an attorney or agency for collection, all collection and court costs and related attorney fees.
5. The undersigned Purchaser agrees to notify Seller by certified mail of any change of ownership or change in financial status which renders or threatens to render the Purchaser insolvent and agrees to be liable for all purchases should the undersigned fail to comply with said notification.
